

## MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

REGULAR MEETING

January 4, 1945  
10:45 A.M.

Council Chamber, City Hall

The meeting was called to order, with Mayor Miller presiding.

## Roll call

Present: Councilmen Alford, Bartholomew, Gillis, Mayor Miller-4  
Absent: Councilman Wolf - 1

Present also: Walter E. Seaholm, Acting City Manager; J.M. Patterson, Jr., Acting City Attorney; J. E. Motheral, City Engineer; and R. D. Thorp, Chief of Police.

The reading of the minutes was dispensed with.

Commissioners Perry, Jones, and Wirtz of the Austin Housing Authority presented to the Council a letter received by said Authority from the Texas Veterans Advisory Service relative to provision by the Federal Board of Public Housing for living units for married ex-service men and graduate students at the University of Texas.

Dean W. R. Woolrich, Chairman of The Planning and Advisory Committee for Veterans, and Prof. Walter T. Rolfe, Coordinator of The Veterans Advisory Service, were present and spoke at length on the need for more adequate housing facilities at the University to take care of the returning ex-service men and their families and of graduate students who will want to take advantage of the educational opportunities for veterans at the University of Texas, and asked that the City Council and the Austin Housing Authority cooperate with them in having a survey made to determine what should be done.

Following which, it was moved by Councilman Gillis that the City Council cooperate with the Committee by giving its moral support and the services of any skilled men on the Planning Board to work with them in making such survey, and that after a report on same is submitted, a public hearing on the matter be held. Which motion carried by the following vote:

Ayes: Councilmen Alford, Bartholomew, Gillis, Mayor Miller

Noes: None

Absent: Councilman Wolf

The Austin Housing Authority then agreed that, pending such survey, application would be made to the Federal Housing Authority for permission to build such houses.

Pursuant to published notice thereof, the public hearing on the proposal of the City Council to amend the Zoning Ordinance in the following particulars, to wit:

To amend the USE designation of the following described property so as to change same from "A" Residence District to "C" Commercial District:

Lot 1, Block 2, Outlot 6, Division "B",  
known as 1614 East 7th Street, in the  
City of Austin, Texas,

was opened.

Jerome Snead, Jr., Attorney for Applicant, plead for the change on the grounds that this street is a traffic artery leading to the super-highway east of the City, and therefore is more suitable for commercial than residential purposes; that Applicant not having received notice of the hearing before the Board of Adjustment failed to appear and plead his case at that time; and that Applicant thinks the abutting property owners are under a misapprehension as to what will be done with this property if rezoned.

A large group of property owners appeared and protested the change on the grounds that there is a commercial section within two blocks of this property which is ample for their needs; and that they object to any further encroachment of business in this residential area. A written protest by said property owners was also submitted.

No other property owners or interested persons desiring to be heard, it was then moved by Councilman Alford that the action of the Board of Adjustment be sustained, and the proposed change in zoning of the property in question be denied. The motion carried by the following vote:

Ayes: Councilmen Alford, Bartholomew, Gillis, Mayor Miller

Noes: None

Absent: Councilman Wolf

The application of C. F. Nauert and other property owners for a change in zoning, from "A" Residence District to "C" Commercial District, of the property bordering on East 47th Street and lying between Depew Street on the east and Red River Street on the west, to include Lots Nos. 1, 2, 3, and 4, and 39 and 40 in Block 13, and Lots 12, 13, 14, 15, and 16, in Block 14 of Outlot 17, Division "C", Ridgetop Annex, was received; and the matter was referred to the Board of Adjustment for consideration and recommendation.

R. G. Mueller appeared before the Council and asked that the City proceed with the construction of a storm sewer in the 600 block on West 4th Street adjacent to the property of the Miller-Hostetter Company in accordance with the request of Mrs. Tom Miller now under consideration. The matter was again referred to the City Engineer to work out a satisfactory agreement with the adjoining property owners relative to their pro rata of the cost.

Councilman Bartholomew offered the following resolution and moved its adoption:
